ABOUT US

"We as providers of meat are an integrative part of nourishment provision and via our healthy strategies for animal raising primarily and adoption of contemporary abattoir as a secondary step we ensure to serve consumers with nutrient rich cow meat in each serving."

".....FOR US HEALTH IS WHAT MATTERS"

Health, hygiene and nutrition are the core objectives in our lead , ensuring utmost natural influence and organicity in the meat we provide.

Nutritious animal top feed

Animal of premium breed

A high sterility maintenance

"THE ORGANIC DEAL"

Organically raised cow meat led with expert strategies and modern abattoir strategies

"Variety of beef and mutton cuts available such as tenderloin, shank, ribs, cube roll and animal offal including tongue, beef honeycomb, knuckle meat and a wide range of several clean cuts."
